Chambermaid Mary Tieg Perished in Forest Fires Threaten to Destroy that the Rochester Hotel Fire.

Helped Others to Escape, but Inhabitants Flee from Their Merrimac Print Was Herself Suffocated.

Panic This Morning in a Well-Known Bleecker Street Resort.

Mary Tieg, a chambermaid in the Rocheste Hotel, 112 Blescher atreet, was fatally suffobroke out on the top floor of that resort at 4

She had discovered the fire and s'armed all the other occupants of rooms on that floor, who escaped, though with great difficulty. Then she went back to her own room, as it to supposed to get her clothing, and was oversome by the smoke. She was still alive when the Gremen found her, but died in a few min-

"Gus" Tuthill, the sporting man and backer of Jack Dempsey, is the proprietor of the theater Hotel, which is a four-story structure. About fifty persons slept in the building last night, including several regular boarders. Balf a dozen persons were asieep in rooms near where the flames originated.

Mary Tieg, the chambermaid, occupied room 44. No 45 was occupied by Jack Files, the prize fighter, and a young woman named Annie Clancy slept in 46. In rooms on the ther side of the narrow hall slept Thomas Kelly, bartender in Frank Stevenson's saloon eker street and Thomas Suffern, bartender in Tuthill's saloon at 355 Bowery.

The fire is said to have started in Files's first to discover the outbreak, as the others

Thomas Kelly was first awakened by what h thought was heavy rain failing on the roof. He listened and heard a crackling sound. The next moment the cries of the chambermaid warned him of the fire. Hastily slipping on ers, he opened the door, when a cloud of smoke and sheets of flame shot into the

He quickly amushed the windows of his room balcony was beyond his reach, however, and he made up his mind to take the only chance he had of saving himself. The door trames on oth sides of the hall were burning, and the narrow space was like a furnace.

Kelly threw his door open sgain and made a rush through the flames, stooping as low as he could. He got safely beyond the fire.

of the hall, got out safely, as did Files and The fire spread rapi ly through the several one supposed that Mary Tieg, the chamber-

Suffolk Street Tenement Fire.

Stairways were Burning and They were Brought Down the Fire-Escapes.

Ten families in the big six-story double tenement house at 61 and 63 Suffolk street rere burned out this morning. The fire broke out about 9 o'clock and apread

Fortunately not more than half the tenants were in their rooms at the time, and though cates occupied seats within the inclosure, while every one managed to get out, either by way of the roof, or the fire escapes on the front of manufacturers, looked on from a remote the building, there were some parrow escapes and thrilling scenes, and for a sbore time at Berondess, dressed in a natty blue suit, sat most a panie in the neighborhood, which is

The fire started in rooms occupied by the ianitor, Siegmund Koenig, on the second floor. She says that she accidentally upset an oil stove in the back room, and the flames burst silence." out so fleroely that she was griven from the

Mrs. Hannah Knadler, who lives on the same floor, says she was passing the door, and seecridle and was one of the first to get out of the Me nwhile those on the upper floors had been

cut off from the street by way of the stairway and began to gather on the iron platforms of the fire escapes in front of the building.

John Brennan, a plumber, who has a short on the ground floor, started to find a police

In his charge to the jury, Judge Van Brunt | man, but it was several minutes before the alarm was sent out. William Schoon, of 176 Delancey street, and a truck driver named McDermott, who hap went to the assistance of the panic-stricker

Smoke was pouring from all the windows of the building, and it looked as if the people on the fire escapes would be forced to leap into the street.

McDermott climbed up to the second story railing and let down the ladder. Schoen fol-lowed him, and together they passed down three women and two children in safety to the street.
I'wo old men climbed down from the fourth

atory and were assessed to be remote.

Dermote.

The women were so frightened that it was all the two men could do to prevent them from throwing themselves into the street.

Jonitor Koenig, who keeps a sods water fountain at the corner of Broome street, ran fountain at the corner of Broome over to the nouse as soon as he saw the smoke

He reashed up the stairway to rescue his wile, whom he insatined was in peril, and his hair and mustache were singed to a criep. His wife had aiready escared.

A grocer named tohen, who happened to he is the louse when the fire broke out, did good work in slamming the tenants and getting them out only in time.

Two or three only escaped by the stairway. Those on the top floors made their way to the roof and from there reached the adjoining building.

li was feared at one time that an old woman who lived on the fourth floor had been burned to death. No one had seen her came out. It was afterwards learned that site was not in the nome at the time.

Within five minutes after the fire was discovered the fames had feached the roof, and it was not until then that the firemen arrived. A second alargh was ent out, and the firmen succeeded in saving the building, which sowned by Frot. Henry Davis, the Broome street medicase, though everything in it was destroyed. The loss in probably less than \$10,000.

So Rev. Dr. Bothwell Wrote on a Awake To-Day After Lying Som-Pad This Morning.

But the Chances are 99 to 1 Against He Says He Tried To, But Could the Removal of the Cork.

For thirteen days Rev. Dr. George W. Both. rell has suffered excruciating agonies from the stoppage of the passage to his left lung by the cork he inhaled, and yet he is still cheerful, and his attendants in his private room at the Brooklyn City Hospital say that he has recognize his relatives and friends. never lost his patience, but has been smilingly grateful for each little act that they have done

his pad this morning in answer to a query put " I believe the doctors will finally succee

in removing the cork and that I shall recover. The house physicians say that in all their experience they have never seen another such a plucky patient. It was thought that Dr. Bothwell would have

regained andicient strength by this afternoon to stand the operation begun on Wednesday and abandoned because the patient was in imminent danger of collapse and death from heart fallure. One of the house surgeons said this morning "It is a mistake to suppose that the opera-

tion begun on Wednesday contemplates the removal of two of Dr. Bothwell's ribs. The cork is located too high up for that. Further than this we are not at liberty to tell the press. The patient is Dr. Rushmore's private patient,

Dr. Bothwell passed a restful night; that his wanted to sleep againstin ondition is remarkably good; that he has lost but little of his 250 pounds weight, and that he ing the bedroom of her neighbor all ablaze ran is as bright, hoperal and cheerful as ever, into her own room, grabbed her baby from the though, of course, he is considerably weaker. day night, but that had nothing to do with it. Dr. T. Dewitt Talmage called on his fellowminister of the Gospel yesterday, and speaking of the wists he save:

" Dr. Botawell is one of the finest specimen of a man I have ever seen. He has the phy-sique of a giant and a wonderful cerebral development, with brains enough to supply half dozen men. His communication was mostly by gesture and by the eye. He did not use in the aftergoon without waking once. Then pad or pencil. I tried to fill him with good he spoke only a few words and fell right sales; cheer, with the sunlight of the Gospel. He again and Gun't awake until Wednesday force looked swarthy and well, and it was not until | noon at 11 o'clook. I put my hand on his forenead and felt the eads of cold perspiration that I realised how

111 De Was. " He is resigned and ready for anything that may occur. I told him he had the sympathy of the community and the prayers of everybody who knew how to pray.

and Dr. Endicort, of Plainfield, in consultation "Dr. Bothwell is not to be measured by the ordinary rules. For a man of his kind I have him some sort of medicine as often as he a great deal of hope. If they don't get that able him to go about and preach, even as our good Lord enables a soldier to move round for years with three or four bullets in him."

Dr. Rushmore was still uncommunicative regarding his remarkable case this morning, but it is believed that another effort will be made to remove the cork late this afternoon. The patient will again be put under the influence of ether and the operation will be conunued where it was left off Wednesday. The firsh will be again laid back, and the

tis ues to reach the interior of the bronchial tube will go on. It is not an entirely unknown operation. has been done before, and in rare cases it has seeded, but the chances are almost ninetynine to one against success, and only the desperate conditions existing in this case would

slow and dangerous work of dividing the

justify such desperate measures. If the cork is permitted to remain death to certain to result, and it is hoped that Dr. Bothwell, with his noble physique and strong hold upon life, will be able to grasp the one nundredth chance and pass successfully

Dr. Griffin, Brooklyn's Health Commissione says that the coance of saving Dr. Botaweil's life by cutting through the rine was so desperate as to be incalculable, fatality being almos Suggestions continue to pour in from well-

saning people who think they know jus to remove that cork. Electricity and the air pump seem to be relied on most by these pe ple, though one man sends a drawing of a forceps that he is confident would do the work The forceps consists of a tube with a steel rod extending through it and projected foro open or close by the insertion or withdrawal of the screw at the outer end of the

One of the sargeons who was present as the orkscrew experiment of Wednesday said: ". It is plats that the cork is swellen: that it now too wide to pass the finges of the rings in the brouchus; and that it is impossible to extract the cork from above whether by cork-

acrew, air-pump or forceps."

Mrs. Bothwell, the good parson's wife, was too ill to visit the hospital to-day. The strain of the past two weeks has told upon her even I more than upon her courageous husband amin's and an area of the second

Wonderful

owing to a beary day's trade; in fact, since we have
neen advertising UOATS AT SIX DOLLARS,
PANTS AT THREE DOLLARS AND
VESTS AT ONE DOLLAR, our malesmen
have had to work far into the night to
get things in order for the next day. And this
proves we were not mistaken in selling a few hundred garments at HALF-PRICE for the purpose of
the self-size attention of LIMENER CENTRE AS dred garments at HALF-PRIUE for the purpose of attracting attention to our IMMENING GENERAL SPRING bTOOK. So successful has the experi-ment been we shall centimes for TO-DAT our very remerkable sale of COATS AT SIX DOLLARS, PANTS AT THREE DOLLARS AND VESTS AT ONE DOLLAR. Remember these SEAUTIPUL GOODS are sold AT THE COST OF THE MA-TERIALS, and only for the reasyn manticeed, and that they POSITIVELY CANNOT BE DUPLI-CATED IN ANY OTHER STORE IN NEW YORK FOR DOUBLE THE MOREY. You can buy a SINGLE GARMENT If you wish, but when these COATS AT SIX DOLLARS, FANTS AT THREE DOLLARS AND VERTS AT ONK DOLLAR DOLLARS AND VERTS AT ONE DOLLARS AND VERTS AT ONE DOLLARS AND VERTS AT ONE DOLLARS SO WHAT WOULD COME TO THE MEMORY DOLLARS IF DOUGHT OF UNDER NO CIRCUMSTANCE 4 COULD YOU BUY ELSEWHERE FOR LESS THAN TWENTY DOLLARS! Would it softe wise for you to look at these SUPERS TWENTY DOLLARS BUTTS WHICH WE ARE SELLING AT TEN DOLLARS before losing HALF YOUR MONKY BECAUSE YOU DID NOT COME TO SEE US! Bear in mind, we GUARANTHE those ELECANT GOODS ind we GUARANTEE these KLEGANT GOODS to be ALL-WOOL, and if they prove to be otherwise than EXACTLY AS REPRESENTED will REFUND THE MONEY. If you want A TEN-DOLLAR SPRING OVERCOAT, here are ome you can have at FIVE DOLLARS.

Young Gray is a good type of the country hip who leaves your milk at the door mortaling before the sun has crimaoned the house type. He is discouit-faced and almost childlike in his innocease, but his blue eyes have a larking look of misshief in them.

He says his head is still diray and feels as lightes a wisp of hay, as he put it. He hasn't returned his daily deliveries of milk yet and says he will not until the fully recovers.

Caristopher is only twenty-three years old.

LOOKING INTO THE BARGE OFFICE Assistant Secretary of the Treasury

Nettleton Visits Col. Weber. Gen. A. B. Nettleton, Assistant Secretary of the Tressury, called upon Col. Weber at the Barge Office to-lay, and held a lengthy conference upon immigration matters, but espe-cially the working of the new law. The General will make a visit to Ellis Island with Col. Weber to see what progress is being made with the new immigration building.

BEATEN BY YOUNG TOUGHS.

Hackman McGuire Terribly Injured and Robbed on First Avenue. Petrick Curita, Thomas Dooney, John Sullivan, Maurice McDonald and John O'Brisn, anging from eighteen to twenty-two ye were all remanded at Yorkville Court to-day on the charge of knoesing down, beating and reabing John McGuire, a cabman, at 4 o'clock this morning in Dillou's stable, on First ave-nue, above Pitty-ninat street.

McGuire was very seriously hurt. His right arm was broken so that the bone protruded from the flesh. He is at Presbyterian Hos-gital.

Eleven Deaths from Grip To-Day. To-day's mortuary report from the Bureau of Vital Statistics states the deaths in this eld
